

GENERAL HIEGENE STANDARDS

Universal precautions

- Soiled or dirty clothing will be placed in a plastic bag and put in the child's designated box or shelf to be collected by parents at pick-up time.
- Children's supplies will be conveniently located for easy accessibility.
- Under no circumstances will a child be left unattended in the bathroom or on the changing tables at any time.
- FiSCA will follow high quality standard for diapering procedures which requires vinyl gloves worn on both hands and changed for each child. Adults' hands are washed before and after each diaper change and frequently as needed
- A child's hands are washed after each diaper change.
- Toilet training using a toilet and not potty chair will begin when the child seems ready for the actual toilet seat.
- Parents will work together with FiSCA staff to develop a consistent toileting plan at home and at school.
